All pieces under 17½ ounces per yard will be rejected; and each bale of about 300 yards must average 18 ounces per yard.

rejected; and each tale of about 300 yards must average or variable per yard.

The satinet must be American manufactured, 27 inches wide inside of list, which list must consist of not less than 12 white woollen threads on each edge of the cloth, woven in the whole length of the piece, must weigh not less that 9½ ounces per yard, to centain in each piece about 28 yards; the warp must be cotton, pure indigo blue, yard-dyed, and the filling wool, pure indigo blue, wool-dyed. Each bad of 400 yards shall average nine and a half ounces to the yard, and no piece shall be below 9½ ounces to the yard. The satinet trowsers must be made of material like the above. The pilot-cloth, broadcloth, and satinet of which garments are made, shall be well spenged before rande up.

made of mat-rial like the above. The pilot-cloth, broadcloth, and satinet of which garments are made, shall be well spenged before made up.

The flannel must be all wool, American manufactured, weel-dyed, pure indigo-blue, and twilled; must be in pieces of about 50 yards; in length, 27 inches wide, weighing 5 ounces per yard, with a list op-each edge of 4 white weeling threads weven in the whole length of the piece. To be packed in bales of 10 pieces, the pieces to be rolled separately welfood cloth boards; each bale to contain 500 yards and 150 \( \) pounds flannel. No piece to have a less average weight than 4 8-10 oinnes per yard.

The overability, undershirts, drawers, and jumpers must be made of fainted like the above.

The Barnsley sheeting must be free from cotton, 80 inches in width, weight, weeke connecs 31-100 per yard; texture, 4 by 4 to 1-16 inch.

The canvas duck must be free from cotton, 27 inches in width, and about 36 yards in the piece, double thread warp and filling; weight, eight ounces 28-100 per yard; texture, 9 by 10 to \( \) inches in width, and for each 50 pairs, unless otherwise ordirect, viz. 4 of No. 5, 0 of No. 6, 12 of No. 7, 12 of No. 8, 9 of No. 9, 3 of No. 10, 1 of No. 11.

They are to conform in all respects to the samples at the yards, and to be delivered in good akrong boxes, 50 pairs in each. The name of the contractor, contents, and the year when made, marked on each box.

The calf-skin and the kip-skin shoes to be packed in separate boxes.

tacy are to contorm in all respects to the samples at the yards, and to be delivered in good saving boxes, 50 pairs in each. The name of the contractor, contents, and the year when made, marked on each box.

The woolien socks must be woven or knit, indigo-mixed, ribbed, all wool, and of American manufacture. No. 1, leg 13 inches, foot 11 inches; ten dozen shall average three pounds, and no one pair shall be less than three and a half ounces. No. 2, leg 12 inches, foot 10 inches; ten dozen shall average three pounds, and no one pair shall be less than three and one quarter ounces. The socks shall be well scoured, and or color and quality fully equal to sample.

The mattresses must weigh ten pounds, including ticking, which is to be cut 6 feet in length and 31 inches wide. The covers must unesure 11 inches to length and 32 inches wide. The covers must unesure 17 inches to length and 18 inches wide. The covers must unesure 17 inches to length and 29 inches in width. The hair, ticking, and covers must conform to samples.

The making must be the best blue American nankin, 26 inches wide, texture 5 threads by four threads to the 16th of an inch, dyed with gare Bengil indigs.

The blankets must weigh six pounds per pair, and measure 55 by 78 inches each. A bais of 50 pairs must weigh 300 pounds, and no pair shall weigh less than 5 pounds 13 ounces. They must be of American manufacture, made of clean wool, and each blanket must be marked "U. S. Navy."

The black all bandkerchiefs must be 31½ by 31½ inches, and weigh one ounce and 12 grains Troy; texture 14 by 23 to one-eighth of an inch.

weigh one conce and 12 grains Troy; texture 14 by 22 to one-eighth of an inch.

A schodule of the three sizes for each 100 pieces of made-up clothing will be found with the samples at the respective yards; and all the above articles, including the necessary buttons, rings, &c., are to be fully equal in the quality, texture, celor, weight, and finish of material, and conform in pattern, sizes, and workmanship to said samples. The number or quantity which will be required of each of the foregoing articles cannot be precisely stated. It will not be less, however, than the quantity specified in the foregoing list. The contracts will, therefore, be made for the quantity of each article so specified, and for such further quantity as the bureau may require. The price must be uniform at all the stations.

All the above articles must be subject to such inspection at the place of delivery as the chief of this bureau may direct; and no article will be received that is not fully equal to the sample in every respect, and which does not conform to the stipulations and provisions of the contract to be made.

The whole must be delt, cred at the risk and expense of the contractor. Each box and bale to be marked with the contractor name. The inspecting offliers to be appointed by the Navy Department.

ment.

The offers must distinguish the prices for each article mentioned it

a class, and must be calculated to cover every expense attending the rulliument of the contract, including the necessary buttons.

In case of aimre on the part of the contractors to deliver the several articles which may be ordered from them, in proper time and of proper justifies, the chief of the Bureau of Provisions and Clothing shall be authorfized to purchase or direct purchases to be made of what may be required to supply the deficiency, under the penalty to be expressed in the contract; the record of a requisition, or a duplicate copy thereof, at the Bureau of Provisions and Clothing, or actifier of the unsay yards aforesaid, shall be evidence that such requisition has been made and received.

Two or more approved sureties, in a sum equal to the estimated amount of the respective contracts, will be required, and twenty per centum with be withhold from the amount of all payments on account thereof as collateral security, and not in any event to be paid until its in all respects complied with; and eighty per centum of the amount of all deliveries made will be paid by the navy agent within thirty days after triplicate bills, duly authomicated, shall have been presented to him.

Bidders whose proposals shall be accepted (and none others) will

sented to him.

Bidders whose proposals shall be accepted (and none others) will be forthwith notified, and as early as practicable a contract will be transmitted to them for execution, which contract must be returned to the bureau within five day, exclusive of the time required for the regular transmission of the mail.

A record, or duplicate of the letter informing a bidder of the acceptance of his proposal, will be deemed a notification thereof within the meaning of the act of 1840, and his bid will be made and accepted in conformity with this understanding.

meaning of the act of 1846, and his bid will be made and accepted in conformity with this understanding.

Every offer made must be accompanied (as directed in the act of Congress making appropriations for the naval service for 1846-47, approared 30th August, 1846) by a written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that the hidder or bidders will, if his or their bid be accepted, enteriots an obligation within five days, with good and sufficient surviviate to furnish the supplies proposed. The bureau will not be obligated to causalter any proposal unless accompanied by the guarantee required by law; the competency of the guarantee to be certified by the navy agent, district attorney, or the collector of the castoms.

Blank forms of proposals may be obtained on application to the navy agents district attorney, or the collector of the castoms.

The attention of bidders is called to the samples and description of articles required, as, in the inspection before reception, a just but rigid comparison will be made between the articles effert, and the sumples and contract, receiving none that fall below them; and their attention is also particularly directed to the joint resolution of March 27, 1854, in addition to the act of the 10th August, 1846.

CONSULTING ENGINEER.—The subscriber has centrely established his residence at the city of Washington, for the jurpose of acting as consulting engineer in the preparation of plans and the location of public works.

He may be consulted by companies upon all questions appertaining to the cost, location, or plans of construction of raitroads, bridges, canals, water works, or the improvement of river navigation, either at his office or on the site of the work.

CHARLES ELLET, Jr.,

No. 288 H atrect,
Washington, D. C.

No. 288 H street, Washington, D. C. March 28—dif2w\*†

United States Patent Office,
Washington, March 21, 1857.

ON the petition of E. A. Stillman, administratrix
of Alfred Stillman, deceased, of New York, New York, praying
for the extension of a patent granted to said Stillman for an improvement in evaporating saccharine piuces, for seven years from the expiration of said patent, which takes place on the 17th day of August,
1857.—

It is ordered that the said petition be heard at the Patent Office on Jonday, the 10th day of August next, at 12 o'clock, m.; and all persons are notified to appear and show cause, if any they have, why said petition ought not to be granted.

Persons opposing the extension are required to file in the Patent Office their objections, specially set forth in writing, at least twenty days before the day of hearing; all testimony filed by either party to be used at the said hearing must be taken and transmitted in accordance with the rules of the office, which will be furnished on application.

ance with the rules of the office, which will be furnished on apputation.

The testimony in the case will be closed on the 30th day of July next; edgeositions, and other papers relied upon an testimony, must be filed in the office on or before the morning of that day; the arguments, if any, within ten days thereafter.

Ordered, also, that this notice be published in the National Intelligencer, Union, and Star, Washington, D. C.; Berphilican, Baltimore, Md.; Pennsylvanian, Phitodolphia, Pa.; Daily News, New York, New York; and Fvat, Boston, Masse, once a week for three successive weeks previous to the 3d day of August next, the day of hearing, CHARLES MASON, Commissioner of Patenta.

P. S.—Editors of the above papers will please copy, and send their bills to the Patent Office, with a paper containing this notice.

Mar 20—Law&w†

H. GILLET, Counsellor at Law, has removed this affect to his office to his residence in Franklin Row, corner of K and Thirteenth streets. He will continue to devote his attention principally to cases in the United States Supreme Court.

Having devoted much time to the law concerning patents, he will give advice and opinions on legal questions arising in cases before the Patent Office, and on appeals to the chief justice of assistant justices of the District of Columbia; and will also, assist in the preparation and trial of suits concerning patents.

He will also give written opinions and, prepare arguments for parties having claims before Courrence or either of the departments; and will also prosecute claims before any board established for their adjudication.

All the foregoing articles must be of the best quality, and conformable in all respects to the samples deposited at said navy-yards and in this bureaus, and subject to such inspection at the navy-yard where delivered as the chief of the bureau may direct, the inspecting officer to be appointed by the Navy Department.

All the articles to be delivered free of any incidental expense to the government, in proper vessels or packages, and the price of each article must be the same at the respective places of delivery. Packages in which the above articles are delivered must be marked with their contents and the name of the contractor, and be sufficient to insure their temporary safe-leveling.

The contractor must establish agencies at such stations other than his residence, that no delay may arise in furnishing what may be required; and when the contractor or agent fails promptly to comply with a requisition, the Chief of the Bureau of Provisions and Clothing, and all the contract of the contract of a requisition, or a duplicate copy thereof, at the Bureau of Provisions and Clothing, or a duplicate copy thereof, at the Bureau of Provisions and Clothing, or a duplicate copy thereof, at the Bureau of Provisions and Clothing, or at either of the navy-yards aforesaid, shall be evidence that such requisition has been made and received.

Two or more approved surates, in a sum equal to the estimated amount of the contract, will be required, and twenty per centum thereof as collateral security, to secure its performance, and not in any event to be paid until it is in all respects compiled with: eighty per centum of the amount of all deliveries made will be paid by the navy agent within thirty days after bills, duly authenticated, shall have been presented to him.

Blank forms of proposals may be obtained on application to the navy agent at Portsmouth, New Hampshire; Boston, New York, Philadolphia, Baltimore, Norfolk, Pensacola, and at th

Washington Aqueduct. OFFICE OF THE WASHINGTON AQUEDUCY, Washington, March 5, 1887.

PROPOSALS are invited for materials and work for the Washington aqueduct.
Proposals received up to 7th May will be opened at noon of tha day.

Maps, profiles, and specifications of the materials and work to be let will be ready for examination at this office on and after the 20th

let will be ready for examination at this office on and after the 20th April next.

The work to be let will embrace masonry of some of the bridges, graduation, excavation, and embankment of reservoirs, fron pipes connected with the reservoirs, 12-inch iron main, gate houses, bricks, sand, rubble, and cut stone, &c.

For the particular works and materials reference is made to the specifications and plans.

As upon a portion of the line the titles are not yet acquired by the United States, there may be some delay in commencing the work thereon; but for such unavoidable delays due allowance will be made in the time of completion.

Portions only of some of the works can be completed under the present appropriation; but all contracts for unfinished work will be subject to future appropriations by Congress. The engineer reserves the right to prescribe the amount of work to be done and rate of propress under each contract for each appropriation and not looking out sufficiently, to decide when and what works shall be stapped until funds become available.

In case of the entire stoppage of any particular work for want of

the engineer, the work has been properly executed so far as it has gone.

Payments will be made in specie checks upon the United States treasury upon the monthly estimates of the engineer, reserving 10 per cent; and it will be a condition of all contracts that the workmen shall be paid their full wages monthly, and in specie.

All bids should be scaled, and endersed "Preposals for work or materials on the Washington Aqueduct."

The United States reserves the right to reject any or all the bids should they not be deemed advantageous, and to make such arrangements as may be considered most conductive to the progress of the work.

Every offer must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that the bidder or bidders will, if his or their bid be accopted, enter into an obligation, within ton days, with good and sufficient securities, for the compision of the work undertaken; said guarantee to be accompanied by the certificate of the United States district attorney, navy agent, or some efficier of the general government or individual known to the Engineer or Department of War, that the guarantors are able to make good their guarantee.

Bids will be onesded in presumes of hidders, if any of them choose to guarantee.

Bids will be opened in presence of hidders, if any of them choose to M. C. MEIGS,

To Capt. M. C. Meigs, U. S. Engineers.

We, the undersigned, residents of \_\_\_\_\_, in the State of hereby, jointly and severally, covenant with the United States, and guaranty, in case the foregoing hid of \_\_\_\_\_ be accepted, that he or they will, within ten days after the acceptance of the said hid, execute the confract for the same, with good and unificent surrejes to per form or furnish the articles proposed in conformity to the terms of the advertisement under which it was made. per M.

The athesive envelopes must be gummed an inch each side of the centre of the lappels.

By the set approved June 17, 1844, the Secretary of the Senate is "directed to contine his purchases exclusively to articles of the growth and manufacture of the United States, provided the same can be pre-cared of anoth growth and manufacture of suitable quality, and at reasonable prices, upon as good terms as to quality and price as can be obtained of foreign growth and manufacture. A preference will therefore be given to the preductions of American industry; and all persons making proposals to supply any article will state whether the same is of the growth and manufacture of the United States.

The articles must be delivered at the office of the Secretary of the

conate at Washington, free of any charge for carriage, on or before the Oth of September next.

Every article must be of the very best quality, unless an inferior article is atlief for.

It is estimated that the quantities above mentioned will be required or the first session; but the right is reserved to the Secretary to order, upon giving reasonable notice, any additional quantities during that session, or for any subsequent session of the Thirty-fifth Congress.

and session, or for any subsequent session of the Thirty-fifth Congress.

A sufficient specimen of each article proposed for (of paper half a pure, and of envelopes 25) is to accompany the proposes, and to be marked with the name of the proposer and the price of the article, and of paper the weight per ream. The whole of each article specialed in the foregoing list will be deemed a class; and the person offering to furnish any such class at the lowest price (quality considered) will receive a contract for the same ou executing a bond, with two or more sureties satisfactory to the Secretary of the Semate, for the performance thereof, under a forfeiture of twice the contract price in case of failure, which bond is to be filed in the office of the said Secretary within ten days after the proposals have been accepted.

If any article contracted for should not be delivered within the time stipulated, or should be inferior in any respect to the sample, the bond of the contractor will be put in seit.

Proposals should be endorsed "Proposals for stationery for the Senate," and be directed to the Secretary of the Senate at Washington.
